

Meditative ☐ Journeys Atmo's ☐ INDIA ☐ Tours

India is a whirlwind of colors, fragrances and sounds and it vibrates with life...lot's of life!
Whenever I arrive in India from somewhere, it feels as if i can just glide into the arms of
existence itself...a sense of being carried in a giant river of life awakens, - again and

again....now i feel i would like to share a bit of this India with you, her magical way of acceptance, her old and her new strengths, her problems and her beauties, - travel in the river of aliveness with friends and friends of friends of friends...as individually as you like your day to be, within a 12 day group tour to the most stunning places in Rajasthan or North India. There are two exciting itineraries in November/ December 09
